Burewala, Pakistan | +92 303 7555679 | saimayan2003@gmail.com | [linkedin.com/in/saimayan](https://www.linkedin.com/in/saimayan) | github.com/saim9211

PROFESSIONAL SUMMARY

Junior AI Engineer with entry level experience in Machine Learning and Deep Learning. Built predictive models and image classifiers using Scikit Learn and PyTorch (CNN, Transfer Learning), with hands on work in feature engineering, model training, evaluation, and hyperparameter tuning. Proficient in Python, SQL, and core ML libraries, with a strong foundation in clean code and problem solving. Seeking to develop scalable AI/ML solutions that drive business impact.

TECHNICAL SKILLS

- **Programming Languages:** Python, SQL
- **Data Analysis:** Data Preprocessing, Data Visualization, Exploratory Data Analysis, Data Cleaning
- **Machine Learning:** Model Training, Feature Engineering, Model Evaluation
- **Deep Learning:** CNNs, Transfer Learning, Model Optimization
- **Tracking:** Weights & Biases (W&B), TensorBoard
- **Libraries:** Pandas, NumPy, Matplotlib, Seaborn, Scikit Learn, XGBoost, PyTorch, Torchvision, FastAPI
- **Tools:** Jupyter Notebook, Git, GitHub, VS Code, Google Colab, Docker
- **Other:** Problem Solving, Team Collaboration, Leadership, Report Writing

PROJECTS

FaceWell AI Suite | Python, Scikit Learn, PyTorch, Computer Vision

- Developed real time AI application for image analysis and personalized insights
- Implemented face detection, image preprocessing pipelines, and feature extraction
- Created secure admin dashboard for user verification, management, and automated reporting

RELEVANT EXPERIENCE

Present

- Conducted data analysis projects using Python and Pandas for dataset cleaning, visualization, and generating actionable insights
- Wrote SQL queries to extract, filter, and aggregate data from databases
- Utilized Git and GitHub for version control, collaboration, and project management
- Participated in hackathons and team coding challenges to develop problem-solving and teamwork abilities

EDUCATION

COMSATS University Islamabad, Sahiwal Campus

2026

Bachelor of Science, Computer Science
